Drawing lewd manga is a serious business...
ビクッ

Merely thinking of this building bombs in your own house-like thrill makes me...

Kyaa— I'm gonna recall them!!
Please work on the manu-script!
Rukki's naughty fantasies are sold all over the country, give it up!

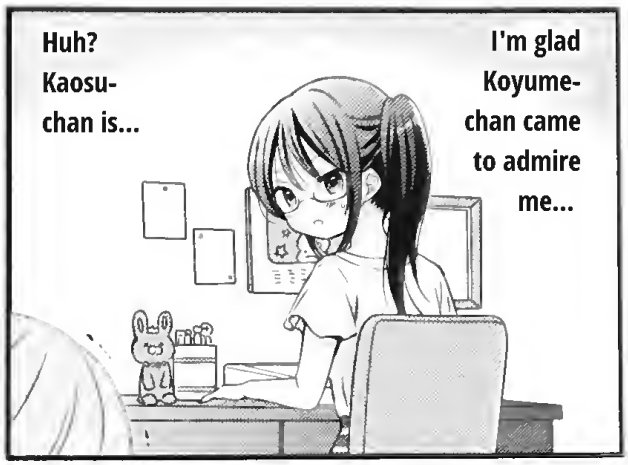
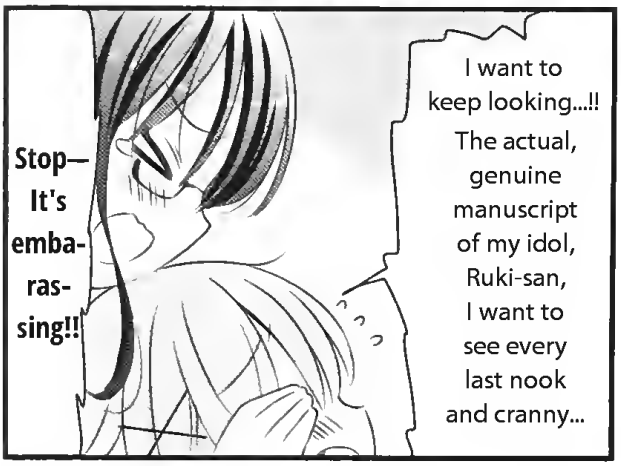
I'll do this page myself!!
I can't work...
Sorry...
I'll hand over the lewd pages to Tsu-chan as much as possible!
I'll do these too!!
That isn't me!!
...well, then I'll do the page where Koyume is pushed down...
Ah, that's because I often asked her to model poses for me...
This heroine kinda resembles Koyume...
S-sorry Koyume-chan...!!
Waah
Hyaa
stare
Hm—ph...
Thank goodness they kind of under-stand each other...
You get it!? Koyume-chan...!!
Ruki-chan! Even though this manga is lewd, it's a wonderful love story—
Several dozen minutes later
Koyume-chan, don't be a bother!
P... Please don't look~!!
ズザーッ





Stop— It's embarassing!!
I want to keep looking...!! The actual, genuine manuscript of my idol, Ruki-san, I want to see every last nook and cranny...
